Many organizations are requiring English as the common corporate language.

BUSINESS ENGLISH ELITE

At Business English Elite, we work directly with organizations to assess employees' language skills, establish proficiency expectations according to the needs of the organization, and customize a package that fits the employees' schedules.

Choose from one of our three standard packages or work with one of our Client Service Managers to create a customized training schedule. All packages and one-on-one lessons can be scheduled during or outside regular business hours.

Over **1.5 billion** people worldwide speak English at a useful level.

However, only about **360 million** people speak English as their native language. **565 million** people use it on the internet.
